"Welcome to the San Francisco Model Yacht Club!"

Welcome to the San Francisco Model Yacht Club and thank you for your interest in us. We are the oldest model boating organization in the New World, founded for boat modelers in the late 1890's by model builders and model yacht racing enthusiasts to provide both an organization and a facility, Spreckels Lake, to promote, preserve and foster the arts, science and sport of building and racing model boats of all types.

Joining with us in the fun is easy!

Just fill out the membership application on the inside of this brochure and either bring it to a meeting or mail it with a check or money order for the requisite membership dues and (if required) the initiation fee for new members to the address listed on the back of the brochure.

Let Us Introduce Ourselves!
