

Ackerman Park is located in Sarasota just east of I-75. Take exit 210 to Fruitville Road and head east. Turn right (south) onto Coburn Road (approx 0.7 mile) and proceed to East Sawgrass Road. (again approx 0.7 mile). The lake will be located on the right hand side and the course markers can be seen from the road.

We are a NAMBA (North American Model Boat Association) club that meets at Ackerman Park in Sarasota, FL on the 2nd and 4th Sundays of the month. Starting time around 9:00 AM and usually gone by 1:00 PM.

We encourage anyone interested in this great hobby to visit us during one of our normally scheduled running days. We do try to be helpful.

For the persons interested in joining our group, we are a NAMBA chartered club and require a current NAMBA membership to run. Our annual club dues are \$35.00 per fiscal year with our year running from July 1 through June 30..
