A small but quality fleet lined up at Carbrook for the 2012 Australian Championship. The event was very well supported by the addition to our ranks by entries from Chris Harmer who travelled from "over the ditch" in New Zealand and Bob Tonge from the central coast of NSW and Glen Foley who also travelled down from "Bundy" to sail. Additionally the event marked a return to the radio sailing ranks by Geoff Morris (past IOM state Champion) who has been absent from sailing for some time. It was good to see him back in the thick of it once more. A special thank you goes out to these men for supporting the event.

A particularly wet and dismal day greeted the competitors on the first day of competition which complicated the proceedings somewhat with continuous rain and extremely light and variable conditions prevailing. However, the opening day of the event was ably handled by PRO Jeff Byerley and racing proceeded apace. At the end of the first day with everyone involved thoroughly wet and soggy, Peter Morris was leading on points with Glen Foley from Bundaberg 2nd and Gary Taylor 3rd.

On the following day the competitors were greeted by a brighter and sunnier day however the prevailing conditions on the water were even more testing with extremely light and variable winds. Again this made hard going of the racing but the competitors were ably supported by stand in PRO Ian Ashe who stood in for Jeff who was unavoidably detained preventing him from getting to the event at the appointed hour. Thank you Ian.

By the end of the final day's sailing with 32 races in all sailed, the placings were Peter Morris 1st, Glen Foley 2nd and a very popular 3rd place going to Chris Harmer.
