

1x5 mm carbon list

The image shows a technical drawing of a vertical carbon list. It consists of a thick black vertical line on the left side, representing the carbon list. To the right of this line is a large, empty rectangular area. A thin black line runs horizontally across the top of the page, and another thin black line runs horizontally across the middle of the page, intersecting the thick vertical line. A thin black line also runs vertically on the right side of the page, starting from the middle horizontal line and extending downwards. A small horizontal line points from the text '1x5 mm carbon list' to the thick vertical line.

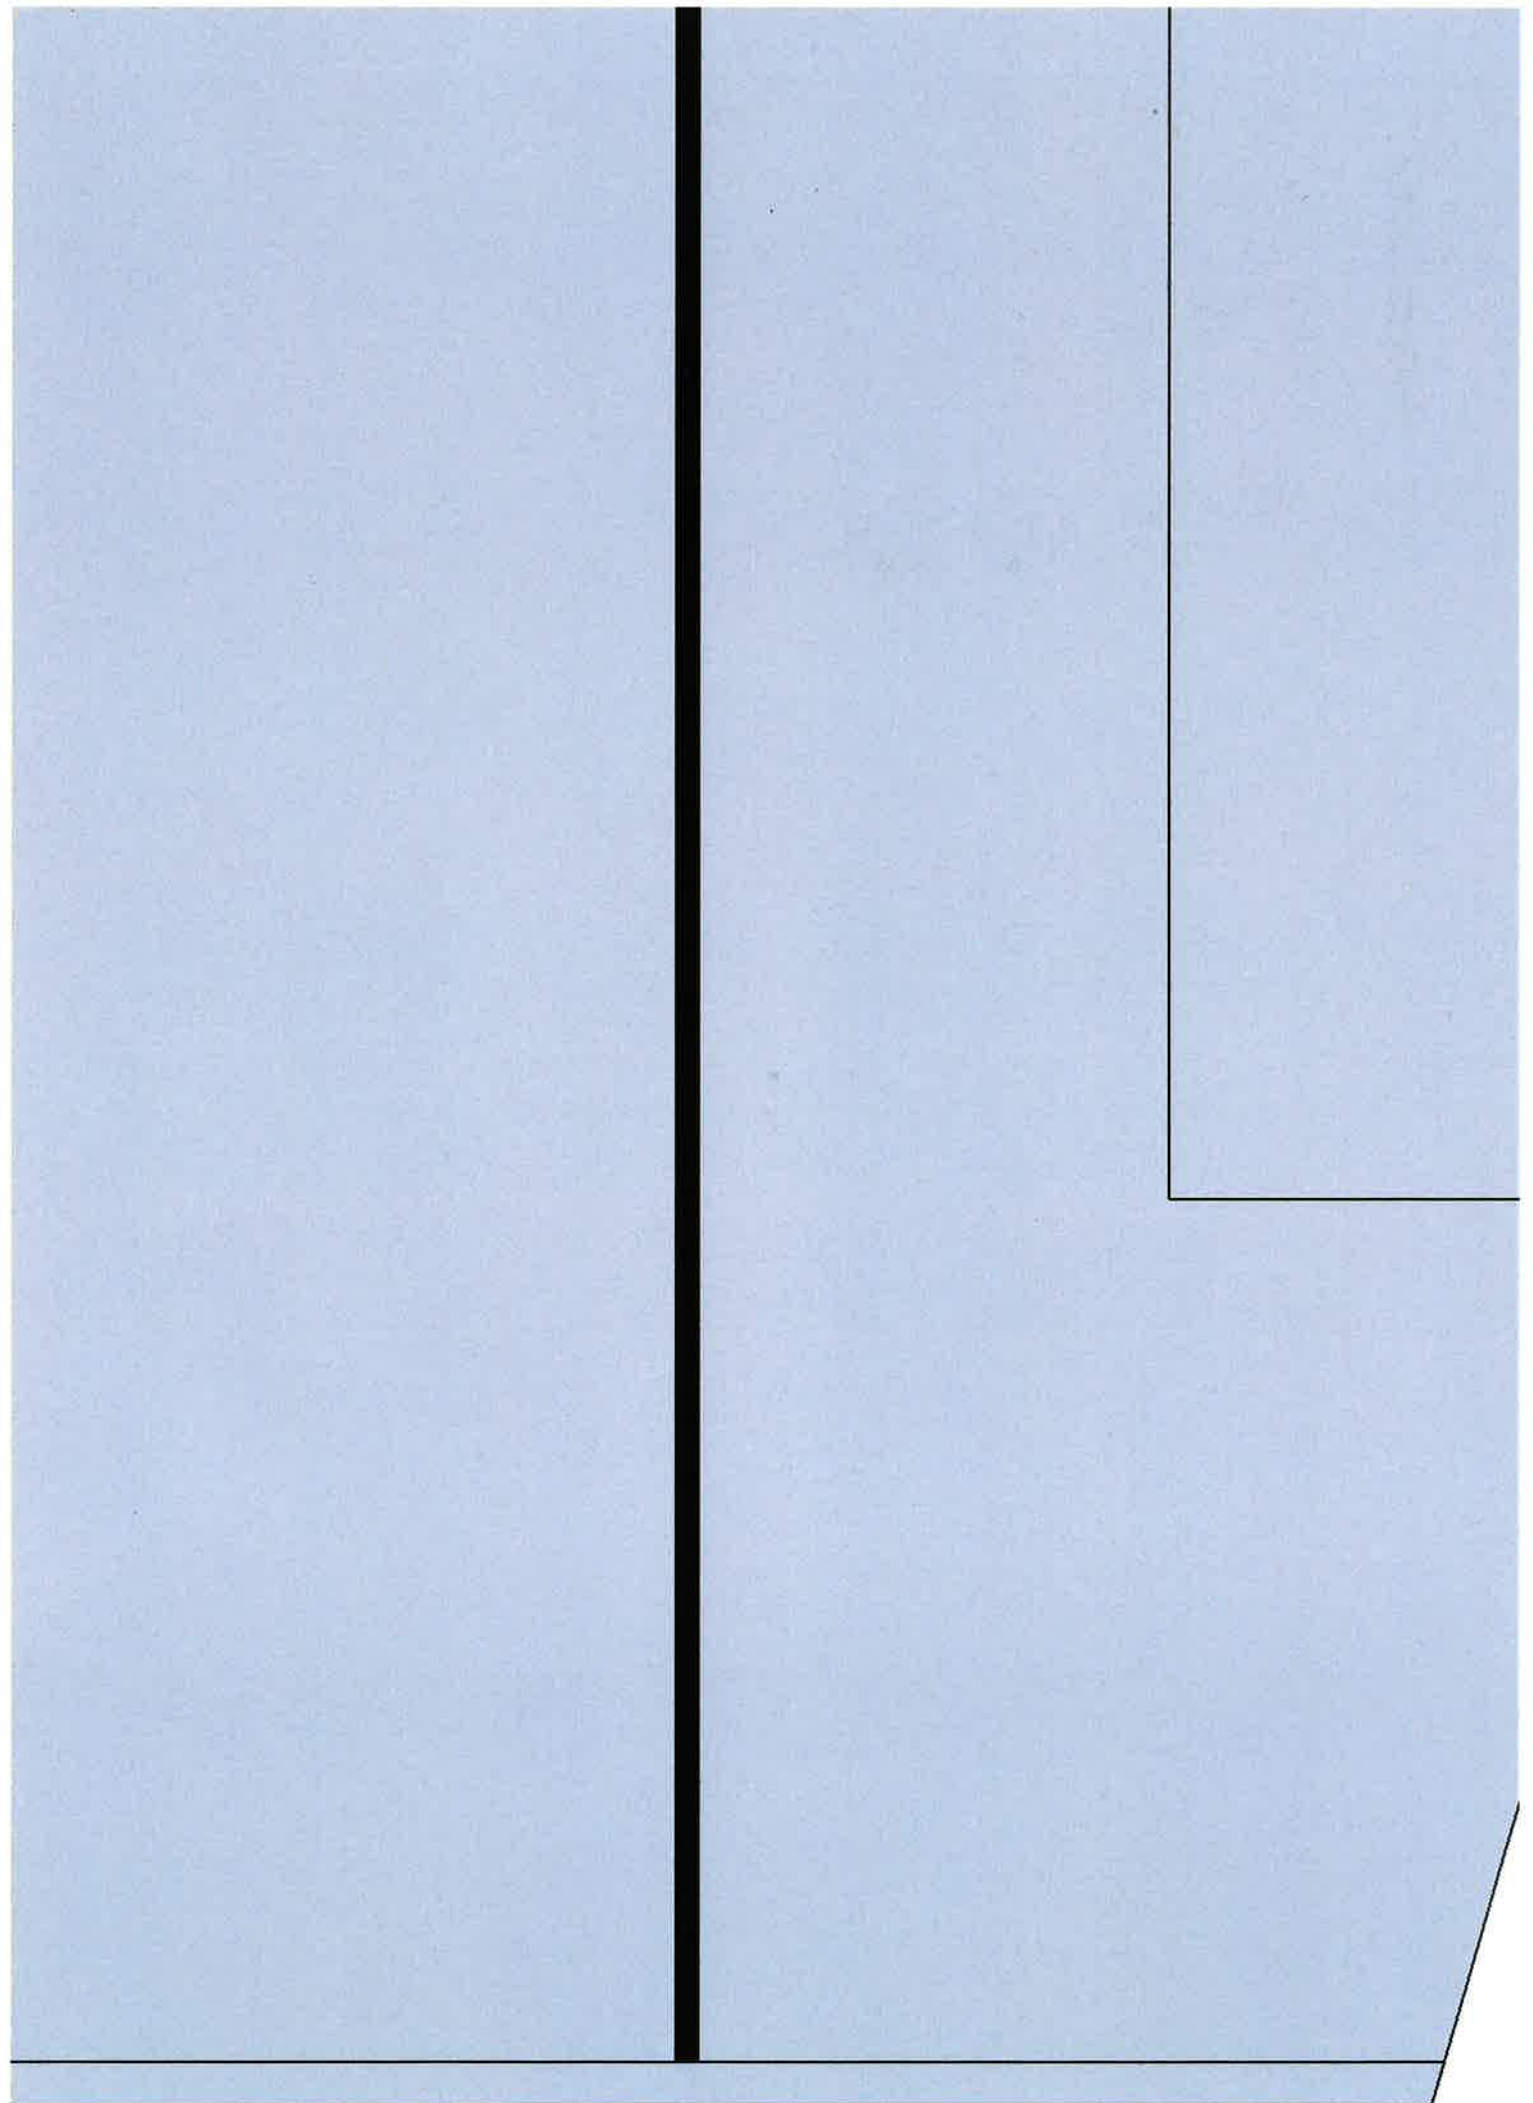

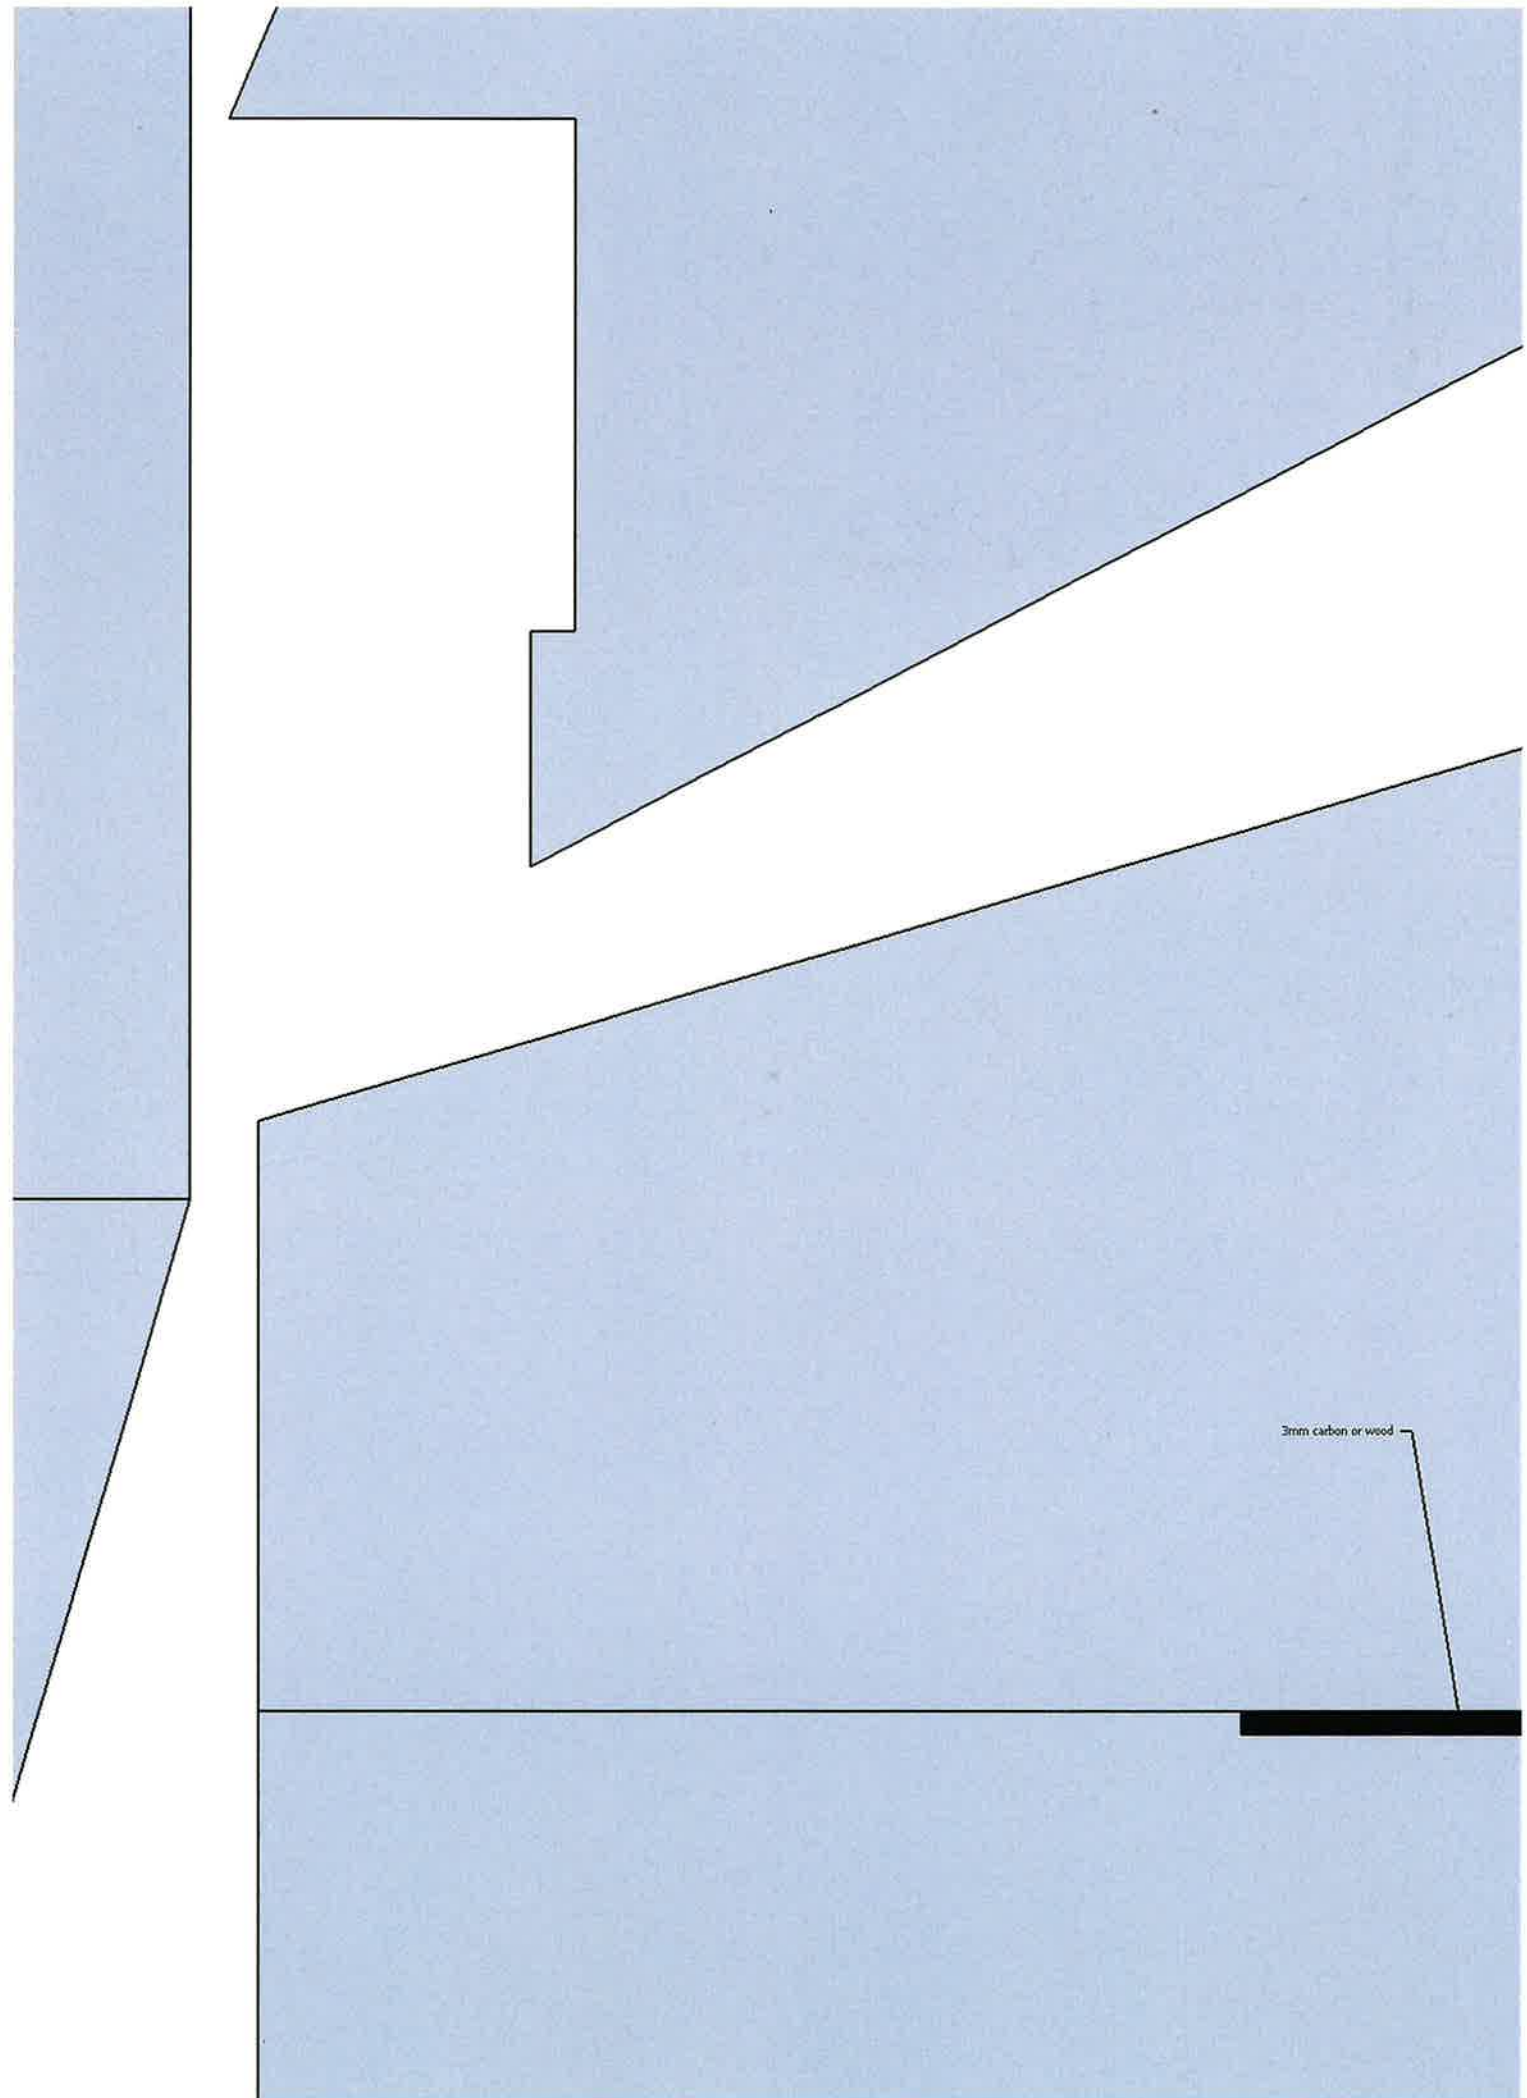

1

3mm carbon or wood
