General Information: Come join us for an enjoyable day of buying and selling. In addition to individual hobbyists; manufacturers and hobby shops will also be at the show, all with GREAT DEALS!!!! There will be over 65 8-foot tables to find that special building project, collector's item, or elusive part. If it fits on or under your table, you can sell it! **We will also have an area for BUILT AIRPLANES to be sold at \$10 per airplane.** Food will also be available. You'll find plenty of parking and easy access from the LIE 495 (1 mile south on Rte 110), Northern State Parkway (2.5 miles south on Rte 110), or the Southern State Parkway (2.7 miles north on Rte 110). Located approximately 30 miles east of New York City.

Vendor Information: We have given a lot of thought to the Vendors for this show. Without you, it cannot be a success. There are over 1200 AMA members within a 40-mile radius of this location. We are making a HUGE advertising effort through "Model Aviation" magazine, the local newspaper, the internet and the US Mail. Camelot Hall is located right on a major North-South road with easy access from the Long Island Expressway, Southern State Parkway, or Northern State Parkway. Convenient parking with access to the sides of the building (for easy unloading) will be available. We will provide nice, large 8-foot tables at very reasonable prices (see below). Buyers will have access to your tables from one side only, making it easier to monitor the activity.

Please Note: There will be a maximum of two prepaid admissions per table purchase.

Admission - **\$5 per person** Aisle tables - **\$20 each** Wall tables - **\$25 each**
